Australian
Manufacturing
Week is proudly
owned and
operated by
AMTIL.

Why Exhibit?

Proudly owned by AMTIL, and co-located with Austech, Australian Manufacturing Week is the largest event focused on all aspects of engineering and manufacturing being held in Australia in 2022.

Capitalise on a targeted audience delivered to your AMW stand.

- Capture the attention of new prospects ready to do business
- Meet with customers ready to give you their time and attention
- Inform the market of your new products and services.

AMW Products and Pavilions

Australian Manufacturing Week covers advanced manufacturing products and processes including:

- Additive & Digital Manufacturing
- Components
- Engineering Products
- Joining
- Process Control & Measurement
- Robotics/Automation & Control
- Vision/Camera Technologies & Scanners
- CAD/CAM & Manufacturing Software
- Electrical & Accessories, Electronics & Electronic
- General Manufacturing
- Materials Handling & Logistics
- Quality Testing
- Safety Solutions
- Welding
- Coating/Abrasives
- Digitalisation (IOT)
- Heat Treatment
- OH&S Products
- Raw Materials
- Sustainable Manufacturing

Showcasing 10 Product Zones

Austech, Australia's Premier Advanced Manufacturing & Machine Tool Exhibition, showcases Machine Tools and Ancillary Equipment.

The **Additive Manufacturing Zone** will spotlight the latest advances in 3D printing. It includes Additive Manufacturing users, suppliers, and supporters.

The **Air Technology Zone** highlights a range of cutting-edge compressor systems and associated technologies.

The **Digitalisation (IOT) Zone** will reveal how developments in digital technology are ushering in a new era of smart, connected manufacturing.

The **Engineering Solutions Zone** represents the importance of engineering in modern manufacturing. This pavilion will display the latest manufacturing equipment and tools relevant to a broad cross-section of engineering disciplines.

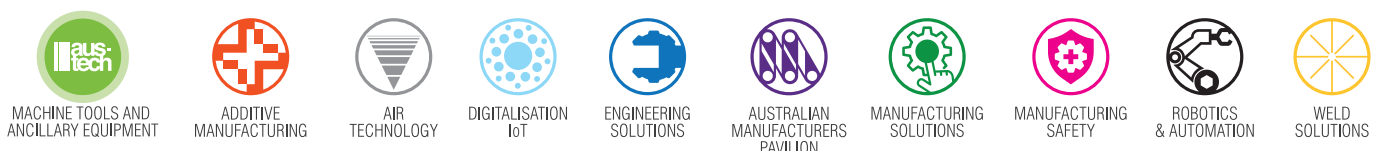

The **Australian Manufacturers Pavilion** showcases the capabilities of Australia's precision engineering and advanced manufacturing industry.

The **Manufacturing Solutions Zone** offers optimised solutions to the most common challenges experienced by manufacturers. From materials handling and warehousing to integrated manufacturing solutions.

The **Manufacturing Safety Zone** will showcase the latest technologies, products, and services to improve OH&S standards and compliance and reduce safety expenditure.

The **Robotics & Automation Zone** will feature the latest state-of-the-art equipment and processes for the optimisation of manufacturing operations.

The **Weld Solutions Zone** will highlight advanced welding processes and provide high-quality interactive experiences that demonstrate developments and applications in the welding sector.

Who will visit Australian Manufacturing Week 2022?

Australian Manufacturing Week provides you with a chance to present your products and services to some of Australia's most influential customers. AMTIL prides itself on the high calibre of visitors that it attracts to its events. Key decision makers such as company owners, directors and general managers make up a large portion of the total visitor numbers to recent AMTIL exhibitions.

It is anticipated that visitors from the following industries will attend Australian Manufacturing Week 2022.

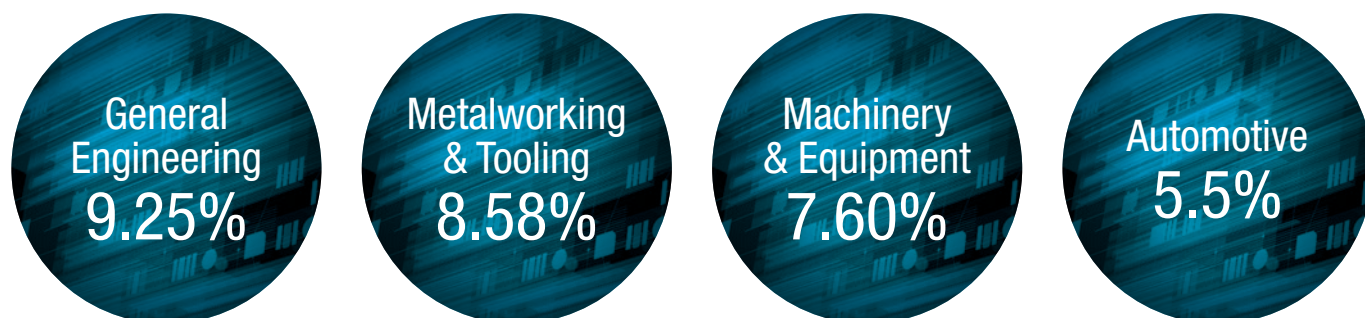

- Aerospace/Defence
- Building/Construction
- Electronics
- Government/Education
- Maintenance
- Medical
- Packaging
- Plastics & Rubber Manufacturing
- Research & Development
- Transport/Distribution/Logistics
- Automotive
- Consulting/Contracting
- Food/Beverage/Tobacco
- Importers/Exporters
- Marine/Shipbuilding
- Metalworking & Tooling
- Petroleum/Coal/Chemicals
- Process Control & Instrumentation
- Sheet Metal Working
- Wood Products/Pulp/Paper
- Biotechnology
- Design/Specification
- General Engineering/Manufacturing
- Machinery & Equipment
- Materials Handling & Warehousing
- METS (Mining Equipment, Technology & Services)
- Pharmaceutical
- Recycling
- Telecommunications/IT

Australian Manufacturing Week replaces National Manufacturing Week as Australia's premier Manufacturing Solutions event and will continue to collocate with Austech. The statistics below are based on previous attendances at Austech and National Manufacturing Week.
