**Australia's Premier Advanced Manufacturing & Machine Tool Exhibition**

14th – 17th May, 2019 • Melbourne Convention & Exhibition Centre

**[www.amtil.com.au/austech](http://www.amtil.com.au/austech)**

## WHY EXHIBIT?

Austech is the only show specifically targeted at the metalworking, machine tool and ancillary market being held in Australia in 2019.

- Demonstrate the latest technology
- Communicate your key message
- Showcase best practice
- Reach new prospects
- Connect with industry
- Reinforce your market position

Capitalise on a targeted audience delivered to your Austech stand.

- Meet with customers ready to give you their time and attention
- Capture the attention of new prospects ready to do business.
- Inform the market of your new products and services.

## AUSTECH PRODUCT CATEGORIES

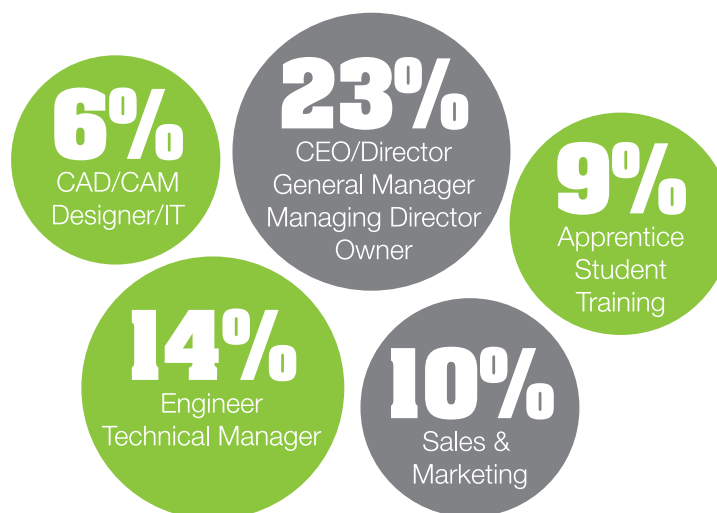

Austech covers products such as:

- Additive, Rapid and Digital Manufacturing • CAD/CAM & other specialist software • Cutting Tools • Tooling
- Tool Holders & Work Holders • Lasers & Laser Cutting • Machine Tools – Lathes & Milling • Sheet metal Machines
- Precision Machining • Plasma & Waterjet Machines • Robotics • Automation & Control

## WHO WILL VISIT AUSTECH 2019?

Austech provides you with a chance to present your products and services to some of Australia's most influential customers. Austech prides itself on the high calibre of visitors that it attracts. Key decision makers such as company owners, directors and general managers make up a large portion of the total visitor numbers at Austech.

The top 5 job categories who visited Austech 2017 are:
