This year's charity will again be the 'Children's Cancer Welfare Service Incorporated', a registered charity staffed by volunteers (The Late Pat Primmer from PIMA was on this committee) who raise funds to support families affected by children with cancer. All the funds raised by them are distributed through organizations such as Westmead Hospital & Ronald McDonald House to give support to families who have come under financial pressure due to having a child suffering from this disease.

Organize a table of your friends and book now. Remember, ALL PROFIT FOR THE DAY ARE PASSED ON TO THE CHARITY – PIMA does not make any money from this day.

This is a great opportunity to sponsor an event that will be attended by participants in the Plastics Industry and at the same time support a worthy cause.

This is purely a fun day and all profits will go to the charity.

If you are unable to sponsor but would like to help, then please send a donation and PIMA will arrange to pass it on to the charity on your behalf and obtain a tax-deductible receipt for you.

As the organization of a day such as this is a huge job, please respond to this request promptly.

Yours faithfully,

Grahame Aston
